In commemoration of International Firefighters’ Day 2020, the National Fallen Firefighters Foundation (NFFF) asks you to join us in celebrating firefighters by lighting your home in red. On May 4 – 5, 2020, we ask you to Shine Your Light for Firefighters, changing your porch light(s) to show your gratitude for firefighters world-wide who are on the front lines for us every day. Be sure to share your #ShineYourLight4Firefighters story on social media.
