Adopt Resolutions of Sympathy and Regard.

The Duluth Firemen's Relief association met yesterday morning at the department headquarters and passed resolutions on the death of Archibald Finlayson, the fireman who was killed while the department was answering a call on Wednesday. Previous to passing the resolutions, the association directed that the $1,000 or which Mr. Finlayson was insured in the association be paid to Mrs. Finlayson, and that $100 be appropriated as a funeral benefit. The resolutions passed are as follows:

Whereas, the great ruler of the universe has in his infinite wisdom removed from our midst our worthy and esteemed brother fireman, Archibald Finlayson, the following resolutions are adopted:

Resolved, that in the death of our beloved brother fireman the Duluth fire department has lost the services of a conscientious and faithful member, one of rare courage and ability, and one who at all times performed his duty in a manner reflecting credit upon both himself and the department which he served.

Resolved, that not only is his death a loss to the Duluth fire department, but he is also sincerely mourned by the individual members of the department. We who knew him so well can bear testimony to his manly, kindly nature, and we cannot but deplore the sad circumstance of his death. "God's will be done."

Resolved, that we tender to the afflicted family of the deceased our heartfelt sympathy in their great bereavement.

Resolved, that a copy of these resolutions be engrossed and forwarded to the family of the deceased.
