INTERNATIONAL FIREFIGHTERS' Day

WITH THE

International Firefighters' Day is a way to say thank you for all you do to keep our communities safe

Born out of a tragic loss of five firefighters in a wildfire in Victoria, Australia, it was a way to honor their lives and the sacrifice that firefighters are willing to make for you and me on a daily basis. This day of recognition, celebrated on **May 4th**, is at the core of what the National Fallen Firefighters Foundation (NFFF) does. **Our mission is to honor and remember America's fallen firefighters, to assist their families in rebuilding their lives, and to prevent firefighter injuries and deaths. Join the worldwide celebration!**
